1. The following is an examiner's statement of reasons for allowance:

The prior art fails to teach the algorithm implemented invention requiring the data processing steps where a seismic data signal being recorded is monitored to determine the portion of the signal before the arrival of a seismic signal nature and then adding a test signal to that portion before the seismic data signal recorded. As these terms and claim features are defined within the written specification, the claimed arrangement is not found in the prior art. The prior art cited is of background interest only.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Donald McElheny, Jr. whose telephone number is 571-272-2218. The examiner can normally be reached on Monday-Thursday from 7:30 to 4:00.
